AVer C30u+

Charge & Sync Cart/Trolley

30 Device Charge and Sync Solution for iPad® & Tablets

C30u+ is an ideal solution for classrooms with tight spaces. With 30 separated USB Type-C ports, you can charge mix and match iPads®, Android™, Windows®, and Chromebook™ tablets and sync applications simultaneously. The 3 slide-out shelves ensure quick access to devices for students. Considering safety first, C30u+ not only equips dual fans helping ventilation during charging, also, the lockable wheels and three-point locks provide excellent anti-theft and anti-falling protection. With C30u+'s real-time backup, mobile learning can be performed at any time and place.

Space Saved

USB Type-C

Dual Fans Design

Slide-Out Shelves

High-Speed Charging

Sync Data

3-Point Lockable System

Unbeatable Warranty

Quick Charge & Sync at Once

Charge up to 30 different tablets in no time with full 3A DC power provided. C30u+ can also quickly sync teaching data to student devices, effectively saving the hassle of managing files, apps and user profiles individually for teachers.

Plug-n-Charge & Cable Management

Connect devices to USB Type-C ports from the front of the cart, and start charging instantly. Besides, the design of pulling out shelves can avoid complications of accessing devices for students.

Smart Ventilation

Two cooling fans are installed on the rear side of C30u+, and they can perfectly enhance nature airflow and cooling. Worry no more about over heating thanks to the best air circulation of fans working together with ventilation holes on C30u+.

LED Panel & Multi-Device Support

Individual LED indicators for each device let IT managers control charging and syncing progress effortlessly. With two auxiliary power outlets, C30u+ can power other teaching equipment for M-learning.

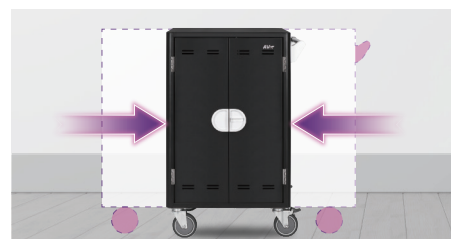

Protect Your Assets

Secure your assets safely thanks to C30u+'s steel doors and three-point locks. This extra-tough design effectively protects against any theft or vandalism.

Free Your Space

With surprisingly small footprint, C30u+ is designed to charge and sync up to 30 devices. It can fit excellently in any size of classrooms and brings you a clutter-free one.

Product Specifications

EAN code 4719552126804

Device Capacity	30 iPads® and tablets	Cart Dimensions (W x H x D)	637 x 1037 x 686 mm
Slot Size (W x H x D)	34 x 225 x 380 mm	Package Dimensions (W x H x D)	Will provide it after shipment.
Power Specification	Input: AC 100V~120V, 50/60Hz, 12A Input: AC 220V~240V, 50/60Hz, 8A Output: DC 5V/3A per USB Type-C	External Power Outlets	2 AC 100V~120V, 50/60Hz, 6A AC 220V~240V, 50/60Hz, 3A
LED Indicators	Red: Charging Green: Fully charged Flashing green: Sync in progress	Cable Management	Secure cable channel by cable clip
Sync Function	Yes	Intelligent Charging	No
Casters	Yes, 5" casters x 4 (2 lockable)	Lockable Doors	Yes, front door with 3-point lock
Sliding Shelves	Yes	Wall Mount Hook	Yes
Cooling/Ventilation	12V DC continuous operating fans	Number of Fans	2
Net Weight	76 kg (168 lbs)	Warranty	Mechanical Components: 10 Years Electrical Components: 5 Years
